NOTE TO SURVEYORS:

THE PRICE CO SUR "SD" BOOKS ARE SELF-INDEXING SO ARE NOT INCLUDED IN THE INDEX OF LARGE MAPS, SMALL MAPS, ETC..

THERE IS A BOOK FOR EACH NUMBERED TOWNSHIP, AND EACH BOOK HAS 36 SPREADS - ONE FOR EACH SECTION.

THEY WERE NOT USED AS FIELD BOOKS, BUT WERE KEPT IN THE OFFICE AND, PERIODICALLY, DATA WAS TRANSFERRED, FROM FIELD BOOKS AND MAPS, TO APPROPRIATE SECTION SPREADS.

I PRESUME THEY WERE INTENDED TO SERVE AS A QUICK & HANDY REFERENCE WHEN THE PUBLIC ASKED FOR INFO, &/OR WHEN THE CO SUR WAS PLANNING A NEW SURVEY. TO SOME EXTENT, THEY STILL DO.

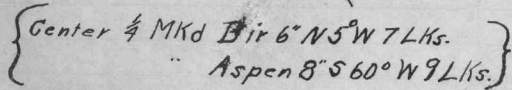

THEY SPAN THE YEARS BETWEEN 1874 (PHILLIPS FIRE COURTHOUSE DESTRUCTION) TO APPROXIMATELY 1930.

WHILE PRICE COUNTY HAS BEEN VERY FORTUNATE TO HAVE RETAINED MANY MORE CO SUR FIELD NOTES & MAPS THAN TYPICAL WISCONSIN COUNTIES, THERE ARE CASES WHERE THE BOOKS OR MAPS ARE MISSING. THEREFORE,

WHEN DOING RESEARCH TO
RESTORE GOVERNMENT CORNERS,
A SURVEYOR SHOULD ALWAYS
STUDY THE "SD" BOOKS, AS INFO
MAY HAVE BEEN SUMMARIZED
THEREIN.

W. A. Shinde
