RE: Genealogy Research ******APPOINTMENT NECESSARY******

To Whom It May Concern,

Genealogy research is the responsibility of the interested party. Our records are available to anyone interested in searching their roots. We have birth, death and marriage records that go back as far as 1879. Office hours are:

Monday - Thursday 8 a.m. – 4:30 p.m.
Friday 8 a.m. – 12 p.m.

If you are unable to come to Phillips, or find someone to do your search, you can have our office search for you. This office is required by Wisconsin Statutes to charge a vital statistic fee for any search we do. The fee is required whether a record is found or not. If the record is found, it will be provided to you. When writing to us, please provide the pertinent information needed for the search and a self-addressed stamped envelope.

The Register of Deeds website has a quick link to acquire a vital statistic application. The form is a fillable, PDF and can be printed and sent to our office with the proper fees.

Currently, Wisconsin vital statistic fees are:

Births	\$20
Deaths	\$20
Marriages	\$20

Each additional copy of the same record is \$3.00.

If you would like information on naturalization and citizenship papers, please send your inquiry or call:
